Janat Abad, Tehran – Iran · +989128356147

alirashidnahal@yahoo.com · [LinkedIn](#) · alirashidnahal.com · [GitHub](#)

More than 10 years of strong experience in developing organizational software and technical leadership experience of large and medium-sized projects with critical, analytical and systematic thinking, as well as interested in learning and experiencing new opportunities and technologies.

Occupational prospects: I always seek to make effective changes in the community, and by creating new services, value and products, I will increase this effectiveness as much as possible.

Experience

ClickTiv · Full-Stack Developer | Software Architecture

Full-time · Jun 2025 – Present

Dubai, United Arab Emirates · Hybrid

ClickTiv is a marketing agency founded by entrepreneurs to serve the needs of fellow entrepreneurs. The company was created in response to the common frustration of working with agencies that spend heavily without delivering tangible growth. Clicktiv prioritizes client success by providing high-quality creative work at fair and reasonable prices.
